Seniors Move Up, Up, and Away

Life is like a series of steps. The first major flight of stairs is attending school. We all start at the bottom and move up through the ranks. At the first step, as seventh and eighth graders we revered those called seniors. Either fear or mystery made them prestigious. As freshmen we respected those who were twelfth graders and even developed friendly relationships with some of them. Donning the title of sophomore, we felt much more important in this class system. However twelfth grade still seemed an eternity beyond. Entering eleventh grade, we felt a special closeness to those seniors who would be leaving. We also practiced great impatience for our turn. We have waited five years to take the final step. We have reached the mountain top. Now there is nowhere to go but into the future. These years of school have given us the preparation for the future. It is now our decision whether or not to use it.

Junior Louise Landis competes in high jump at a track meet.

Mark Royer as a junior concentrates on making his jump shot.

Mike Kozlowski, Steve Hamlen, and Ron Brewer report for duty as soldiers in the junior class play.

The years since seventh grade have changed many of the familiar faces.

As sophomores these students wrote and performed a commercial for seat belts.

Shane Cassel and Shelia Patches appear in the Snoball court as sophomores.

Freshman Travis Bickle enjoys taking pictures at a pep rally.

BJ Checket, Brad Case, and Tim Blouch perform in the musical Oklahoma as freshmen.

Time has removed braces for many a young lady; much improves with time.

Pep rallies prove quite exciting to eighth graders.

In Memory

of

Kevin Lackey

3/16/70 — 8/27/87

A tear from my eye,
A whisper of fear,
A song from my heart that will soon disappear:
Separate paths we'll all lead,
Hope and pray to succeed.
Down this path,
Along the way,
We'll remember tomorrow as if yesterday.

Homecoming Sparks Spirit

Many spirit promoting activities filled Homecoming week. At the beginning of the week, the student council provided canisters where students could monetarily vote for the "Best Buns." The closest to determine the number of jellybeans in a fishbowl, decided the Jellybean King and Queen. Gary Nolan and Lisa Klinger became our first ever Jellybean King and Queen. Shane Cassel received the honor of having the "Best Buns." Marcia Hetzel and Louis Landis won a prize for creating the most unique dummy which was heaved into the bonfire.

On Thursday, October 15th, at the south end of the school, students participated in a bonfire and car demolition. The activities started at 7:30 p.m. Mr. Henderson gave the car his traditional headbutt. Students took twenty-five cent turns beating the car with a sledgehammer, symbolically crushing L.C. Then the excitement switched to the bonfire where the cheerleaders inspired the participants.

Students, alumni, and friends gathered for an alumni buffet which began in the cafe at 5:30 P.M. on Friday. The pre-game activities began at 7:00 P.M. with the Lebanon Catholic band performing its field show. This was followed by the introduction of the homecoming court and the Jellybean King and Queen. Students released multicolored balloons before the game while the crowd and participants waited patiently for the stadium lights to be turned on.

The Viking defense provided a 7-0 win against the Lebanon Catholic Beavers. A soc-hop for students and alumni followed the football game.

Pep Rallies Arouse Excitement

On October 16, 1987, the Homecoming pep rally was held in the gymnasium. The Homecoming Court was introduced. Other activities held during the pep rally included an egg-dropping contest, relay games, including passing a lifesaver on a stick and passing an orange under the neck. Each Homecoming hopeful was given a dish of ice cream which her blindfolded escort fed to her. Amy Light was the first to devour her Neopolitan. WAKE UP!!! Alarm Clocks rang on Oct. 17 at 7:00 A.M. for Student Council members and any other students who were decorating for the 18th annual Homecoming Dance. Pink, Purple, Silver, Black, and White balloons and streamers decorated the hallways and cafeteria. A Gazebo made and donated by the wood shop classes provided a touch of elegance to the evening. Because the D.J. did not show, S + B Sound (Todd and Travis) saved the night. Snacks were served through out the evening. The theme "Take My Breath Away" was played while the 1987 Homecoming Court was introduced. Mr. Stoddard then opened the secret ballot to reveal Joni Fortna as the victor.

The play was centered around a girl-crazy, young man Danny, from NYC who was willed an old ranch out west on the condition that he lived there for a year. While there, he turned the ranch into a prosperous dude ranch, had the bad guys thrown in jail, won a girl's heart, and lived happily ever after.

The students, with the help of the instructors, created routines which they performed for family and friends.

Foreign Friends Meet

Eva smiles after a rewarding season of American soccer. Eva, Hetti, and Maiko show the special bond that has grown between them this year.

Although these girls miss their families, the love and friendship that they have found here makes up for it.

Eva Maria Christiansen from Denmark participated in several school activities: Sr. High Chorus, Senior Class Play and Soccer. This seventeen-year old exchange student liked junkfood, oreo cookies, ice cream, and peanuts. She enjoyed listening to rock music, parties, writing letters, watching T.V. and being with friends. Eva found that American fashions pattern themselves a few months behind Denmark. One would pay more in Denmark for clothing than in America. Eva, who lived with Mr. & Mrs. Henry Gerhart Jr., felt Americans are easy to talk to and very open, but some display bad attitudes toward other countries. When asked if she would return to America if given the chance, she replied, "Yes, America is a very interesting country."

Dr. & Mrs. Clark hosted Maiko Takemura from Japan. Maiko, 17, participated in field hockey, basketball and softball at NL. She liked all types of music whether it was American, British, or Japanese. While visiting, she enjoyed swimming, skiing, playing the piano, reading, listening to music, shopping, and spending time with friends. Maiko thought in America that everything was large like people's minds, houses and a piece of pizza. Maiko also felt that America was too cold and some of the people were not interested in knowing about different countries and cultures. When asked if she would return if given the chance, she replied, "Yes! I really hope I get the chance."

Hetti Inkeri Luukko was an exchange student representing Finland. She celebrated her 17th birthday on Feb. 19. Hetti said the lifestyles in America were basically the same as in her country. The main difference was that Americans are always in a hurry, whereas in Finland the pace is slower. Hetti described her country's weather as being colder than ours in the winter. Hetti participated in NL basketball one of her favorite hobbies. Overall, she liked our school even though it was more demanding than her own. Hetti's favorite American foods were pot pie and pizza, what else! She enjoyed American music, but she said she could do without country music. The one trend in fashion that Hetti noticed was that Americans wear more jeans than Finish people wear. Hetti said Americans are friendly people. She had no difficulty in making friends here. She noted that she would miss her friends when she left, but she vowed to come back and visit the U.S. again some day.

Santa Visits N.L. Students

Charlene Peiffer and Wendy Burkholtz take a brief moment to wait for the right guys to emerge from the trees.

On December 5 the senior high student body celebrated Christmas in "Central Park". The snowcovered ground set off the black sky as did the lights on the trees. When one approached the dance floor, he could rock to the music of Pulsar Music Machine. Seniors were seated at tables and were served hors d'oeu vres and punch by Mr. T. Donmoyer, Mr. Rusen, and Mrs. Bell. The senior girls received goblets, and the senior guys, mugs as Christmas gifts. Anyone who wanted to share his Christmas list with Mr. and Mrs. Claus could visit Mr. G Donmoyer and Kara Guilliams. When the lights went down, the music faded, and the clock struck 10:30 P.M., Central Park was officially at a close.

On March 29, Mrs. Ondrejicka and N.L. German students departed for West Germany from Baltimore-Washington Airport. They arrived in Frankfurt. They met their tour guide, Steve, who immediately informed them that the hotel in St. Goarhausen was under 3 feet of water because of flooding. They moved on to their first day of touring. After that their tour took them to a day in the medieval town of Rothenburg; 3 days in Munich; 2 days in Lucern, Switzerland; and 1 day in Heidelburg. Some of the sites they saw were Dachau concentration camp, Austrian salt mines, the country of Liechtenstein, and several castles. After 10 eventful 18 hour days, the students wearily returned to N.L. on April 7.

Seniors Experience New York

On May 27, 1988, 113 seniors departed from school at 5:00 a.m. on their way to New York City. They arrived at Battery Park and embarked on a ferry to Ellis Island. After viewing the Statue of Liberty, students were taken to mid-city New York and set loose for several hours. Seniors regrouped at the World Trade Center where they viewed N.Y. from 107 stories high. Next students were taken to Broadway for the main attraction. After an afternoon of walking, the students gathered at Mama Leone's for a four course meal. The students enjoyed the fine Italian food while an accordian player strolled through the dining room with music. Mr. Miller was serenaded with "The Rose" and Mr. Donmoyer with "Old McDonald," compliments of students requests. "Starlight Express" followed in the Gershwin Theatre. The students returned to the school at approximately 1:30 a.m. after a full and exciting day in New York City.

SHADE Provides Nightly Fun

On Friday, January 15, and Saturday, January 16, 1988, the 3rd Annual Volleyball Marathon was held in the high school gymnasium. The marathon began at 10:30 p.m. on Friday, and concluded at 6:30 a.m. Saturday. The marathon was sponsored by members of SHADE. During the night, SHADE provided students and faculty with food such as hoagies, chips, and soda. Ice cream and toppings were also available to the participants so they could create their own sundaes. In the morning, donuts were served to students. Movies were available throughout the night. The movies offered were Some Kind of Wonderful, Harry and the Hendersons, and Dirty Dancing. Approximately seventy students and teachers participated in the Volleyball Marathon. A total of $2737.60 was collected from those who participated. The money was given to the Easter Seals Society.

Season Ends Early

Twelve members of the team started their conditioning early at Bloomsburg University. They returned home filled with enthusiasm and prepared for hard work just seven days before they had to be back on the field.

The initial enthusiasm dwindled and games were lost, often by one goal. Three ties and four losses placed the Vikings just two points short of District Competition.

The Vikings tied two games, one to Palmyra and the other to Lampeter Strasburg. Top scorers were: Bobby Hauer, Steve Hamlen, Greg Galbraith, and Dean Byler. Bob Patches was the team goal keeper. He showed his outstanding ability throughout the season with 180 league saves, and 96 non-league saves. Only 43 league goals were scored, and 19 non-league goals. The team lost two players due to injuries; Zoe Runkel, and Keith Myers. Eva Christiansen, an exchange student from Denmark, participated on the team. When asked how soccer here compared to soccer in her country, she replied that soccer here with the guys was a lot of fun, but she'd have to admit that they play better soccer in Denmark!

The Jr. High soccer team was a young group that showed promise. Many of the players were first year athletes. The teams that they played were schools that had large student populations, and could be extremely choosy about their players. All of this contributed to a rough season with the 1-1 game against Tulpehocken the only tie. Top goal scorers were Kevin Long and Jeremy Boehmer. The outstanding goalie was Ryan Ulrich, who averaged 15 saves per game. Coach Hess's choice for M.V.P. was Jeff Boehmer. The boys started a new tradition at N.L. when they played a night game against ELCO.

The 1987 Golf team had a very successful year. Some team accomplishments included the most wins in one season, the most league wins in one season, lowest average in a season, and lowest team total for a single match.

The team shot a score of 441 to take fifth place out of nineteen teams in the Lancaster-Lebanon League Tournament.

Mark Chritzman qualified for the District III Tournament, while John Caporaletti just missed qualifying in a playoff.

Chritzman shot an 81 on the first day at Districts and qualified for the second day. He finished with a respectable 172 score, which placed him within the top 30 golfers in District III.

The team finished the league season with four consecutive wins. They were only the second team in golf history at NL to accomplish this feat.

Girls Run to Victory; Boys Subdued

N.L. leaders break out of the pack.

Ed Houser maintains his pace as he nears the finish line.

The girls' cross-country team had a record-breaking season. The girls won 13 meets, the best in the history of N.L.. The team was undefeated against the other Lebanon County schools. N.L. placed fifth in the Lancaster-Lebanon League meet. Ronnie Yingst and Jenny Blatt were league medalists; Ronnie Yingst, a district medalist. The girls' overall record was 13 wins and six losses.

For the boys, 1987 was a building year. Only one senior ended the season with the young team. Runners remained quite competitive even though they ended the season with three wins and 18 losses. Cory Boltz, Kevin Shuey, and Ed Houser received special recognition with Junior All-time seventh, Junior All-time fourth, and Freshman All-time third respectively.

Although there were seven seniors, the Varsity basketball team still fell short of winning championships. They made it to districts with a final record of 17 wins and 8 losses, and a league record of 11 wins and 3 losses. Having more seniors than ever before, the team had terrific leadership. Underclassmen were also able to get some playing experience. The team leader was Steve Stager. Steve was both high scorer, with 1,337 points, and top rebounder, with 1,041. This surpassed both N.L.'s prior records in these categories. Coach Schlegel commented that the team had the toughest schedule in the league, and they handled it well.

The J.V. team finished its season with a league record of 10 wins and 4 losses. Everyone on the J.V. team played in almost every game this year allowing for future experience.

The Northern Lebanon 9th Grade team gained experience this season. Shane Leedy led the team with 133 points. Ed Houser was a close competitor with 121 points. This helped the team, but it did not lead them to victory. Although the team was not strong in the beginning of the season, they kept pushing forward. They were rewarded in the second half of the season when they earned their two victories. The final record was 2 wins and 8 losses. The Jr. High team had an excellent overall record of 11 wins and 3 losses. Coach Freiler credits the guys' record to their high level of intensity during both games and practices. One strong point was the amazing quickness which the team demonstrated throughout the season. Mr. Freiler remarked that the players represented a fine group of young individuals who always showed good sportsmanship, respectability, and discipline.

The Varsity team had a tough season lacking heighth and strength. However, they endured with great attitudes and hard work. It paid off in their nearly perfect game against E-town. Other breathtaking games included the girls' win over Lebanon Catholic, and their loss to ELCO in overtime. Andrea Pouch had both the most points and the most rebounds, although every team member contributed. The team's final record was 11 wins and 12 losses. It was their first losing season in four years. Coach Brewer felt that the record did not show what a great job the girls had done. He stated that the team was exceptional in their solid work habits and that they were a fun group to coach.

The J.V. team completed a successful season with a league record of 13 wins and only 1 loss. The team was led by key players Royer, Brewer, Tilberry, and Kreiser. These returning players showed outstanding leadership. The team's strength was its offense lead by Janelle Erdman who scored 230 points. Kelly Tilberry was the top rebounder with 77 on defense and 72 on offense. The team suffered its only loss to Lebanon Catholic in the first half. In the second half, they defeated Catholic to become the "unofficial" J.V. champions of the league.

The girls improved their skill level throughout the season to the point where they defeated 3 AAA schools. The team's motto was "coach knows best," which they followed closely, as they were obedient to what Coach Steckbeck instructed.

The Junior High Wrestlers had a successful season ending the year with 9 wins and 5 losses. They finished third in the Elizabethtown Tournament, eliminating all other Lebanon and Lancaster County schools. This was the highest place finish that NL has ever achieved in this event. On April 16 and 17 Scott Rhine and Ryan Ulrich wrestled in the Middle Atlantic AAU Eastern National Tournament held at Millersville University. Scott and Ryan wrestled well, but did not finish with medals. Doug Connors was unable to compete due to an injury sustained in training two days prior to the event.

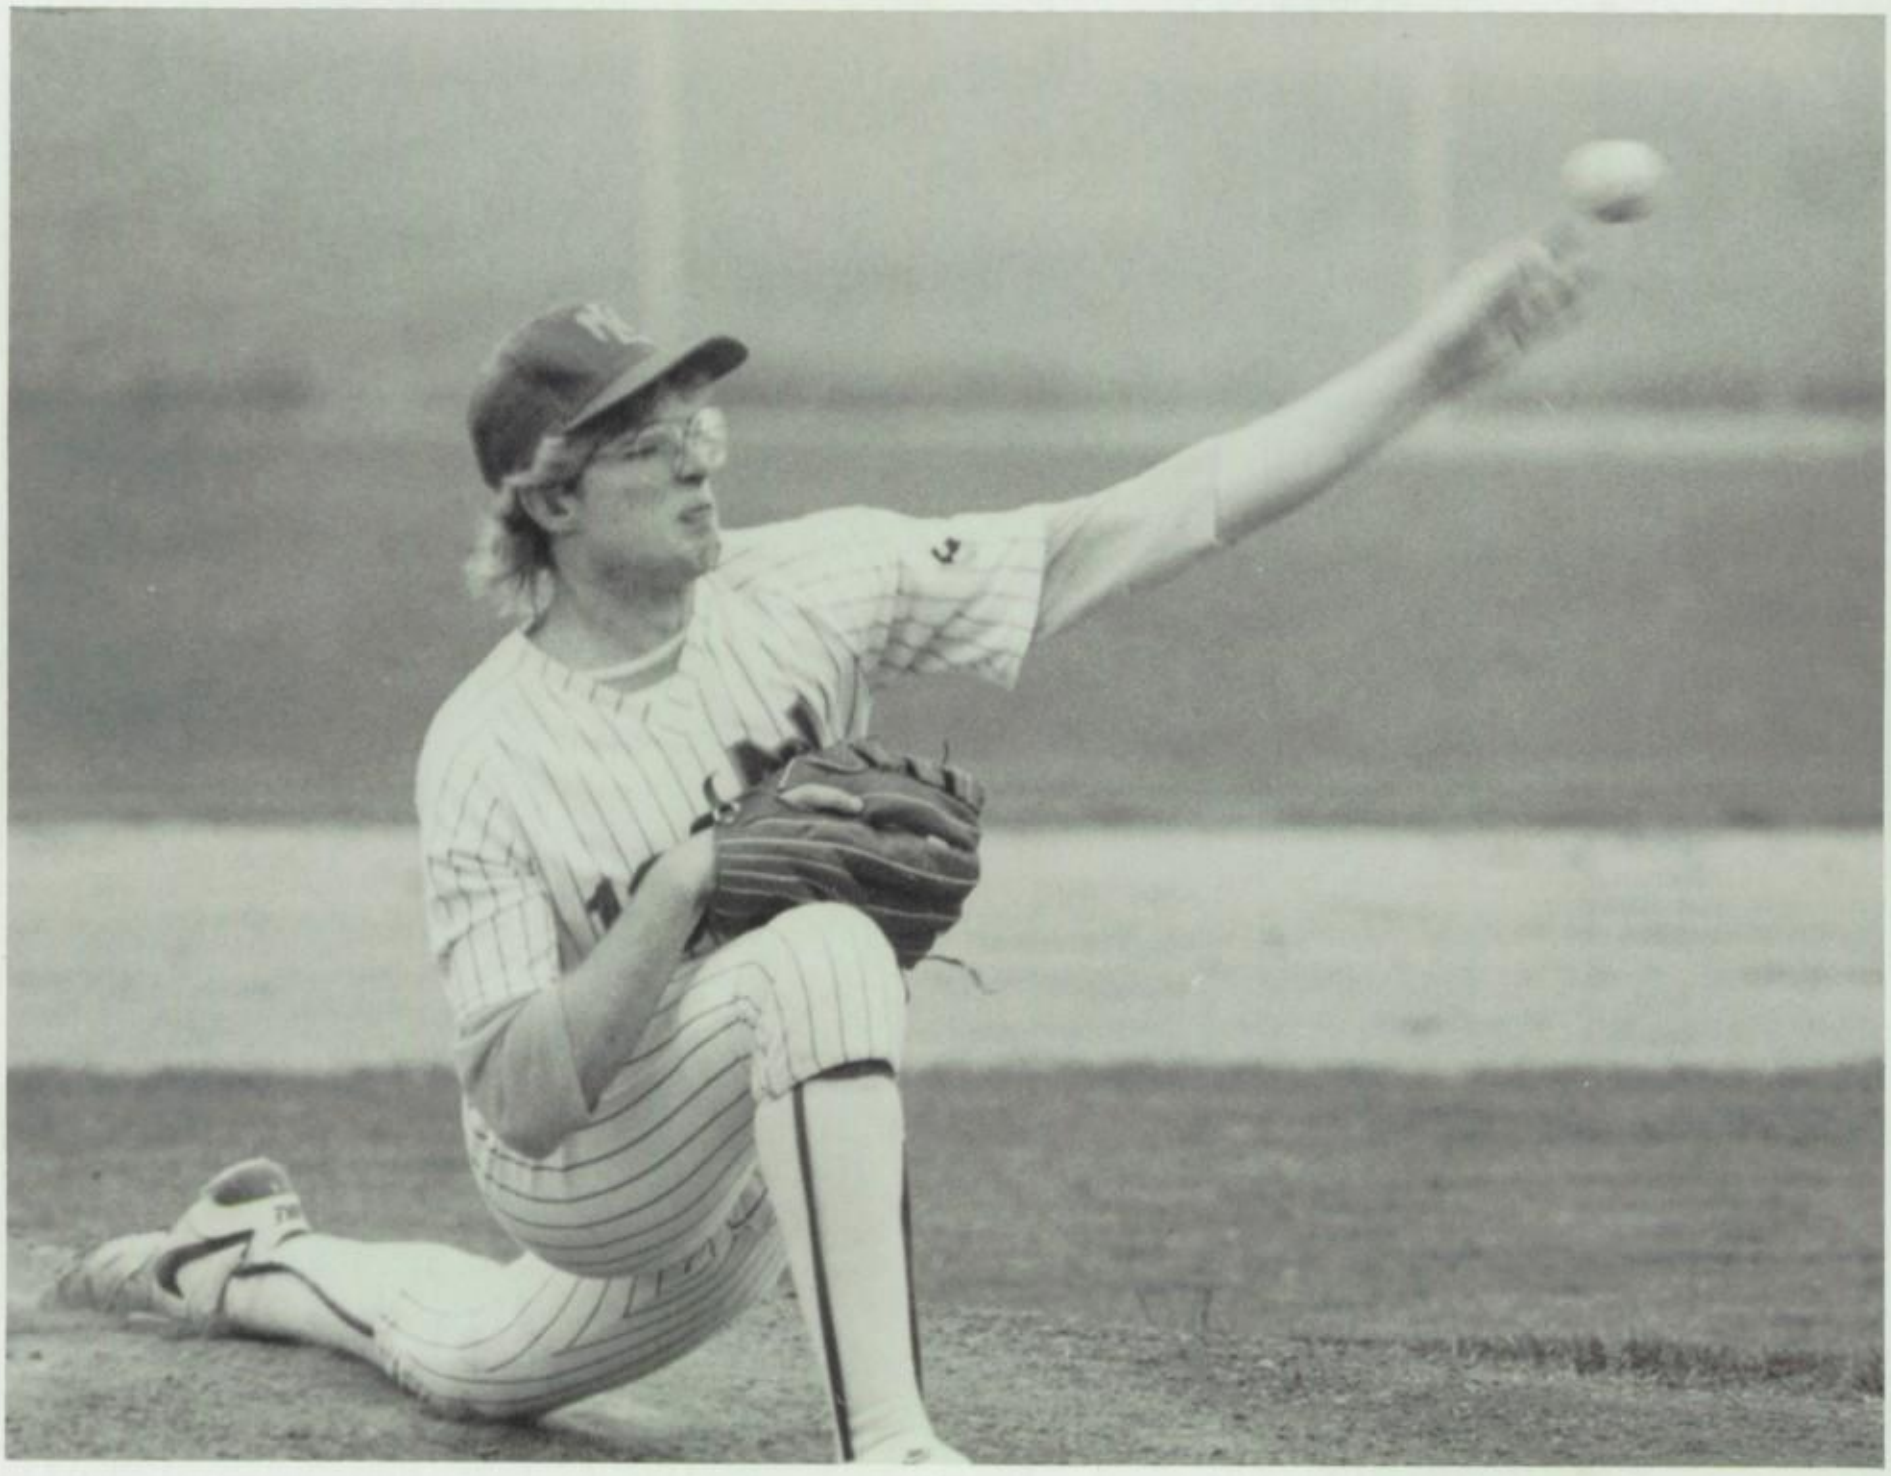
Team Winds Up in Fifth Place



Joe Kreiser demonstrates why pitchers need to stretch before games.

For the first time in four consecutive years, the Varsity baseball team fell short of a winning season. Their league record was four wins and twelve losses, and their final record was six wins and fourteen losses. Scott Shuey was the leading pitcher with three wins.

Pitchers Greg Keller, Geoff Rich, and Scott Bomberger were tied with one win a piece. Coach Ludwig felt that the team could not make important plays often enough. Another problem was team conflicts, only one senior completed the season. The remainder of the team was made up of juniors and one sophomore. Geoff Rich had the highest batting average on the team, with .384. Rich, who played second base, qualified for the section I All-Star team.

The J.V. baseball team finished the season with nine wins and eight losses. Dave Runkel, a freshman, led the team with a batting average of .412. He also proved his running skills as he had the greatest number of stolen bases. Scott Bomberger was the top pitcher with four wins to his credit.

Girls Fall Short

The softball team moved from a slow start to a nine consecutive winning streak. Beating Cedar Crest twice and losing to E-town and Warwick once, NL remained tied with Cedar Crest only to play them for the third time to determine the Section Champion. NL failed to beat Cedar Crest 5-6, but still qualified for the District III AAA Softball Tournament for the sixth straight year. The girls lost in the first round to undefeated Chambersburg.

The team captured 1st place in the 15th Annual Northern Lebanon Booster Tournament. Andrea Pouch was chosen MVP. The overall record was 16 wins and 5 losses.

GIRLS FORCED OUT OF FIRST

Track Team Remains Hopeful Throughout the Season

The Jr. High Girl's track team consisted of 21 girls, five of whom were returning team members. The number of first year participants effected the league record, which was zero wins and nine losses.

Overlooking the record, there were quite a few new Jr. High records that the girls set. Pam Ollar led the team in points, having 151½. Jennifer Reed was second with 52½, and Heather Ritchie came in a close third with 48¼.

Jr. High Boys ended their season just a bit better. Their league record was one win and eight losses. The victory was against ELCO with a score of 56 to 40. A heart-breaking loss was suffered against Cedar Crest when we lost by a mere four points, 46 to 50. Lance Weaver set two new records in the shotput and the discus. Lance also led the team in points at 65.

Jenny Reed shows that it takes determination to win a race.

The girls' track team consisted of 30 members; only two were seniors. This, along with the fact that most of the athletes were first year participants, contributed to the poor overall record of one win and seven losses this season. The win was over Hamburg with a score of 74½ to 66½. Ronnie Yingst led the team, scoring 63½ points during competition meets. Crissy Wenrich followed Ronnie with 53 points. The guys' track team also struggled through a rough season. They did not experience even one victory, their overall record was zero and nine. Steve Stager had an outstanding season, as he was undefeated in discus. Jim Myers, Kevin Gray, Chris Boltz, and Ed Houser all set new freshman records. The top three point leaders were Steve Stager, 84; Steve Hamlen, 65; and Kevin Shuey, 64.

The team also won games in matches against Lebanon, Cocalico, and Cedar Crest.

During the summer, several members traveled to Penn State for the State Convention. The chapter received an area Chapter Safety Award for its outstanding tractor safety program. FFA members exhibited their Supervised Occupation Experience Program (SOEP) at the Lebanon Area Fair, and the Pennsylvania Farm Show. Laura Harding received the State Ayrshire Breeder Award for her efforts while Dianne Dice was awarded the State Jersey Breeder Award. A leadership convention held at the Poconos Environmental Education Center was the chapter's activity in October. Chapter members created and constructed the float featured in many area holiday parades. This year's theme was Agriculture's Past, Present, and Future. To support the year's many activities, the FFA participated in fundraisers, some of which included a cider sale, and citrus sale. In November, the FFA chapter packed its bags for the National Convention held in Kansas City, Missouri. Community Service is part of the FFA. The Northern Lebanon Chapter held a petting zoo over Easter. In addition, the Food for America program took place again this year. The Future Farmers of America proved once again to be entertaining, recreational, and most of all educational.

Colonial Williamsburg employees warm themselves by a fire while dressed in colonial costumes.

Thirty-two American Government students ventured to Colonial Williamsburg on March 20-23, where they spent three days and three nights at the King Econo Lodge. On the way to Williamsburg, these students, accompanied by Mr. T. Donmoyer and Mr. R. Folmer, toured Mt. Vernon, which lies on the shore of the Potomac River. The students took a guided tour through George and Martha Washington's home. On Monday and Tuesday, the students toured Colonial Williamsburg beginning with William and Mary College. After long days full of walking, the students spent their free time at the hotel watching T.V., listening to music or just having fun.

The employees of Colonial Williamsburg were dressed in colonial costumes and spoke as if it were the eighteen hundreds. Some of the historic sites the student witnessed were the House o Burgess, the Governor's Pa ace, and Washington's tomb The students also toured ol taverns and shops.

The group departed fro Williamsburg on Wednes day morning and arrived i Washington D.C. near lunc time. Here they were a lowed some free time to visi the Smithsonian or just wal around the city. The student met with Congressman Rob ert Walker and sat in on par of a session of the House o Representatives.

The students learne much about today and lif back then besides enjoying vacation.

Mt. Vernon, the home of George and Martha Washington, lies on the shore of the Potomac River. Along the street of Colonial Williamsburg stands an old tavern. Old houses with picket fences and stone pathways are plentiful in Colonial Williamsburg.

Environmental students took their annual three day trip to Lewes, Delaware, from April 17-19. The cost was $50, which included transportation, lodging, and enough food to feed an army. The students began packing the bus at 7:00 A.M. on Sunday for their four hour bus ride to Lewes. Upon arrival, there were non-stop activities. The students took an orientation tour of Cape Henlopen to become familiar with their surroundings. They went to night lectures to further their education about marine biology. They traveled to a tidal flat, where they had the opportunity to search for and identify sea and sand creatures. Also, they took a ride on the "April M" where they conducted various ocean experiments. Megan Smith enjoyed this trip in particular, as she became aware of the fact that she was definitely a sufferer of sea-sickness. The group also stomped through a maritime forest and a cypress swamp. And then, the finale: a trip to the stinky, slimy salt marsh. The group was advised to wear old clothes in the salt marsh so that when they left the marsh, they could remove the clothes and burn them. On Tuesday evening, the group returned home, tired, and smelly, but definitely happy after their trip to Delaware.
